

Senator Barnett. The Chair recognizes Senator Barnett.

SENATOR BARNETT: Mr. Chairman, I would like to take a moment, just for a second, to alert the body, if any of them care, that next week Monday, Tuesday and Wednesday starting at 10 o'clock in the morning we are going to be hearing the Criminal Code revision bill. We will be hearing it for three days. Now it has been in hearing since 1971 and we are going to try to have everybody that has any concern with the Criminal Code revision, any type of amendments or any type of questions with the bill, next Monday, Tuesday and Wednesday, to prepare or try to get in touch with the Judiciary Committee and we will try to get you on and try to take in your amendments. It might save you a bill, too, if you want to try to amend the Criminal Code instead of carrying an individual bill. So it could save you something there. So next Monday, Tuesday and Wednesday, if you have any suggestions or ideas for the Judiciary Committee on the Criminal Code revision, get in touch with me or the staff and be prepared to be there next Monday, Tuesday and Wednesday.

SPEAKER LUEDTKE: Senator Barnett, will that be at 10 o'clock, starting at 10 o'clock?

SENATOR BARNETT: Starting at 10 o'clock. Ten until twelve and then probably two until we quit. We will try to align, stagger it so that people...I know that one day we have Senator Bereuter in the "flat sentencing" and we will have different arrangements or anybody that is interested on that day on that type of thing, so alert them to that.

SPEAKER LUEDTKE: Thank you, Senator Barnett. All right, continue then, introduction of bills, Mr. Clerk.
